RAINBOWS PROGRAMMES AND RESOURCES

Rainbows provides an emotionally safe environment for children, young people and adults to guide them through grieving a significant loss in their lives.

This is achieved by implementing a structured, age-related programme facilitated by trained staff. The participants meet in small groups for twelve to fourteen weekly sessions.

- SunBeams – Foundation Stage
- Rainbows – Key Stage 1 and 2
- Spectrum – Key Stage 3, 4 and 5

(age ranges are for general guidance only)
